

The Lamont Public Utility District makes temporary water meters available for rent and provides service to those meters only as a courtesy. In order to protect the District's water system from abuse, anyone seeking the use of a temporary water meter must abide by all District rules and regulations, pay all appropriate District fees and deposits, and accept the following terms and conditions:

1. Water received from a temporary meter is **NOT FOR HUMAN CONSUMPTION!**
2. The **District has the unfettered right to discontinue the service at any time**, if the General Manager determines that such action is in the best interest of the District.
3. Temporary meters may only be rented in conjunction with a use approved by the General Manager. In order to protect the District's water system, the General Manager may set forth any additional conditions he deems appropriate. In this instance, said additional conditions are: _____
4. Temporary meters may only be rented and service will only be provided for the duration of the use provided for herein. Applicant shall not allow any other person or entity to use the temporary meter.
5. Only District personnel may install, remove, and/or relocate a temporary meter.
6. Applicant shall: 1) open and close the temporary meter slowly in order to avoid pressure surges; 2) only use properly sized specialty wrenches; and, 3) at all times use an air gap or certificated back-flow prevention device. Service shall be immediately discontinued by the District if an air gap or certificated back-flow prevention device is not installed.
7. Any malfunctions, leaks, breaks, or damages to the temporary meter, District property, or the District water system shall be immediately reported to the District at 661-845-1213.
8. Applicant shall be solely responsible for any claims and liabilities for injury to persons or damage to property arising out of the use of the temporary meter, and Applicant agrees to indemnify, defend with counsel of District's choice, and hold harmless the District, its Directors, employees and agents from any such claims.
9. Loss, damage, or theft of a temporary meter, or other District property, shall be the responsibility of the Applicant. The Applicant agrees to fully compensate the District

within thirty (30) days of the presentation of an invoice for any loss or damage and the District may retain the Applicant's deposit to cover those costs.

10. Applicant shall be liable for the cost of all water delivered through the service. The Applicant, at their own expense, may install a locking device on the outlet of the temporary meter to prevent unauthorized usage.
11. Meters shall be read at the time of installation and at least monthly thereafter. Final reads shall be accomplished at the time the meter is uninstalled by the District. Notwithstanding the forgoing, the General Manager may proscribe additional reads and reading procedure if the General Manager feels that such procedure is in the best interest of the District.
12. The District reserves the right to terminate the Applicant's rental and service immediately upon the Applicant's failure to comply with any District rule or regulation and/or any of the above listed conditions.
13. The District reserves the right to refuse rental of a temporary meter to any Applicant who has been found to have previously violated any of the terms and conditions of this Agreement or misused the District's water system.

By signing this application, I hereby certify that I am the Applicant, or an authorized representative thereof, and that I have read and understand the terms and conditions set forth herein. I further certify that I am familiar with the rules and regulations of the District for water service including, but not limited to, fees, deposits, and penalties.
